

After utilizing the existing eyeglass benefits, members of IUOE Local 4 may purchase additional coverage from Davis Vision's Value Advantage Program.

Designer Program Costs

Eye Exam Only	\$54.00
Materials Only	\$126.00
Eye Exam & Materials	\$180.00

**One-year breakage warranty
available at no additional cost!**

How the program works – claim forms are not necessary.

Step 1

To receive services, simply call Davis Vision at 1.800.783.3594 and provide the Member Services Representative with a valid credit card number. All charges for the eye examination and/or materials will be applied against the credit card provided. If check payment is preferred, alternate arrangements can be made.

The following information will be required:

- Member's Identification Number/Date of Birth
- Description of Service(s) needed

If services are being requested for a dependent, the following additional information must be provided:

- Dependent's Name/Date of Birth

Step 2

Contact any participating provider to schedule an appointment.

Step 3

Following the eye examination, you may select eyeglasses from a broad arrangement of styles, colors and sizes. If you already have a valid eyeglass prescription, no additional examination will be necessary.

Step 4

The finished eyewear will be returned to the provider's office for dispensing along with a one-year breakage warranty.

The Value Advantage Program offers significant discounts off professional eye care services and the regular retail price of eyewear. Through the use of Davis Vision's world-class "Centers of Excellence" ophthalmic fabrication laboratories, employees will receive the benefits of economies of scale, quality control, and uniformity.

Our Value Advantage Program plan offers:

- **Significant Discounts...** many of the most popular lens options are covered. Additional options available with average discounts of 40% to 60% below retail.
- **Breakage Warranty...** one-year breakage warranty on all eyeglasses made by Davis Vision laboratories.
- **Extensive National Network...** of providers credentialed by NCQA-certified process. Includes nearly 30,000 access points to private ophthalmologists, optometrists and national/regional retail locations.
