

Do you have diabetes? You may qualify for a blood glucose meter at no cost to you!

If you are a CVS Caremark plan participant with diabetes, you may qualify for an ACCU-CHEK® or OneTouch® blood glucose meter at no cost to you.* Simply order a 90-day supply (or plan limit quantity) of ACCU-CHEK or OneTouch glucose meter test strips from our mail service pharmacy.

The following blood glucose meter kits are currently offered:

Roche ACCU-CHEK Aviva™

Roche ACCU-CHEK Compact Plus™

LifeScan OneTouch® Ultra®2

LifeScan OneTouch UltraSmart®

LifeScan OneTouch UltraMini™

How do I qualify for this offer?

- Have diabetes
- Have Caremark Mail Service prescription benefits
- Use ACCU-CHEK or OneTouch test strips that are covered by the mail service plan
- Have a benefit plan that participates in this program
- Place your order through the CVS Caremark Diabetic Meter Team
