To see how much you would save on your own prescription medications, call toll-free **1-877-673-3688**, or ask at your local pharmacy. You may receive even greater savings – up to 50% – if your prescriptions are filled through our mail service.

**This is not insurance.
Discounts are only available at participating pharmacies.**

Savings may vary by drug and by pharmacy. Savings are based on actual 2007 drug purchases for all drug discount card programs administered by Caremark. The program administrator may obtain fees or rebates from manufacturers and/or pharmacies based on your prescription drug purchases. These fees or rebates may be retained by the program administrator or shared with you and/or your pharmacy.

By using this card, you agree that you are responsible for paying the entire prescription cost of the medication after the application of any applicable discount. Prescription claims through this program will not be eligible for reimbursement through Medicaid, Medicare or any other government program.

Drug list coverage is compared only to Legend drugs and does not include diabetic supplies also covered in this program.

 **Savings of up to 50% when you order by mail.**

Take advantage of our mail service option and you could save even more. To start using the RxSavingsPlus mail service, call toll-free **1-877-673-3688**.

 **Our drug list contains over 99% of all prescription medications.**

You can use your RxSavings Plus drug discount card for almost all commonly prescribed medications, both brand name and generic.
