

INTERNATIONAL UNION OF OPERATING ENGINEERS
LOCAL 4
Health and Welfare Fund

January 2023

Dear IUOE Local 4 Health and Welfare Fund Participant,

Enclosed please find your new Member Benefits Card from Modern Assistance Programs, Inc. (MAP).

MAP connects Local 4 members and families to top-quality doctors and facilities with respect to inpatient mental health and substance abuse treatment. MAP will provide the pre-authorization review for inpatient mental health and inpatient substance use admissions. This includes partial hospitalizations and intensive outpatient substance use treatment programs. The Plan requires that all inpatient hospital admissions be authorized in advance in order for the services to be covered (other than for emergency or maternity care).

Pre-authorization review for non-mental health and non-substance use inpatient hospital admissions remains with Blue Cross Blue Shield of Massachusetts (BCBSMA).

MAP also serves as the Plan's Employee Assistance Program and is available 24/7 for confidential help ranging from parenting and family issues to SAP-DOT evaluations. There is no co-pay for you or your family to utilize the Employee Assistance Program services of MAP – contact them at 617-774-0331 or 1-800-878-2004.

For additional information regarding your benefits, please refer to the Health and Welfare Plan Document available on the Benefit Funds' website: www.local4funds.org.
